## Fully Assembled:

## Limitations & Warnings:

TO AVOID SERIOUS RISK OF INJURY OR PROPERTY DAMAGE, READ AND UNDERSTAND ALL INSTRUCTIONS AND WARNINGS BEFORE USING THIS PRODUCT.

TRANSPORTING HEAVY, AWKWARD OR OVERSIZED LOADS WITH A VEHICLE CREATES A RISK OF PERSONAL INJURY, DEATH, AND PROPERTY DAMAGE. THE USER ASSUMES ALL RISKS ASSOCIATED WITH THE USE OF THIS PRODUCT. THE RISK MAY BE MINIMIZED IF THE UNIT IS USED ONLY FOR ITS DESIGNED PURPOSE AND WITHIN THE RULES OF OPERATION.

1. The safety and instruction manual should always accompany this product and be kept with it when it is transferred or loaned to another person.
2. Do not use product when vehicle is not loaded.
3. Use only during daylight hours not in dark or low light conditions.
4. Do not use with loads extending more than 6 feet beyond dropped tailgate.
5. Set elevation of T-bar to same level as truck bed or vehicle roof height.
6. Loads carried in trucks must be placed against the front of the truck bed, tied and centered above T-bar to prevent load from bouncing or sliding.
7. Attach safety flag to the end of the load.
8. Do not block tail lights, brake lights, or turn signals.
9. Check local and state laws before using product.
10. Secure all pins and clips.
11. Do not cut-drill-weld-or modify product.
12. Always install T-bar with reflective tape facing away from vehicle.
13. For vehicles that have a common passenger and cargo compartment, such as SUV's, CUV's and vans, do not use product in horizontal position when vehicle is running to prevent exhaust gases from entering passenger areas.
