

# Hook-Um Dano

## Ladder Locks™

**"The sure way to lock your load"**

### INSTRUCTIONS

1. Insert hook end on J-Bolt down through center of ladder rung & hook under the roof rack or ladder rack.
2. Slide cross bar down over J-Bolt & place across ladder or rungs.
3. Screw handle onto J-Bolt until it is down tight against cross bar.
4. Insert padlock down through 3/8 hole on handle and through cross bar.
5. Use padlock size: 2 1/4" shackle or longer. {padlock not included}
