

General Guidelines ⚠

- It is the user's responsibility to read and follow all instructions.
- Keep these instructions with the product at all times and review before each use.
- It is the responsibility of this product's owner to furnish the instructions to any person that borrows or purchases the product.
- Inspect the product before use to ensure it is assembled properly and all parts are in safe working order and free of defects.
- Never modify this product in any way.
- All circumstances cannot be addressed in these instructions. Please use common sense and practice general safety measures when using this product.
- Parts and/or instructions are subject to change without notice.

Safety ⚠

- Follow all warnings and instructions marked on the product.
- Never impede or block vehicle exhaust. Always keep the exhaust pipe and exhaust path clear.
- Flammable cargo can ignite from exposure to heat. Be aware of the possible fire risk and property damage resulting from the vehicle's exhaust system pointing at or running near the cargo in the carrier. Do not use if this condition exists.
- Do not exceed 55 MPH while the carrier is attached.
- The 2" hitch tube carrying capacity is 500 lbs. The 1-1/4" hitch tube carrying capacity is 300 lbs.
- Never exceed vehicle tongue weight rating.
- Turn off the vehicle's ignition and set the parking brake before loading an object onto the carrier or unloading.
- Secure the load on the carrier with ropes and/or tie downs (not included) before transporting.
- Hitch adapters may affect the weight capacity of the carrier. If using a hitch adapter, always check its limitations before use.
- Beware of dynamic loading! Dropping or bouncing a load may briefly create excess load, causing personal injury and/or product failure.
- Always store the carrier in a safe place.
- Do not put this product on any kind of trailer.
- NOT recommended for tow-behind trailers including 5th wheel trailers and camping trailers.
- Periodically check nuts and bolts for tightness.
- Improper use, storage, or installation of the carrier could result in death or serious injury.

Assembly

Step 1. Attach the hitch tube brackets (B) to the underside of the carrier basket (A) using the M6x45 Allen head bolts (E), washers (F), and nuts (G). Loosely tighten the bolts at first; after all parts have been assembled, go back and securely tighten all hardware with wrenches.

Step 2. Attach the hitch tube (H or J) to the hitch tube brackets (B) using the M8x70 bolts (C) and nuts (D). Securely tighten all hardware with wrenches.

Use

- If needed, use a helper to lift the empty cargo carrier and slide the open end of the hitch tube into the vehicle's hitch receiver.
- Align the hole openings on hitch receiver and hitch tube and secure in place using the appropriate hitch pin.
- Always use ropes or tie-downs (not included) to securely hold all cargo in place. Evenly distribute the load weight, with heavier items positioned toward the center of the carrier.

Product Warranty and Liability

GENERAL PRODUCT WARRANTY: Products purchased from the Authorized Dealer (original place of purchase) or Merchant (“Dealer”) will be free of defects in material and workmanship at the time of receipt, and will meet the specifications stated at the place of purchase transaction or online at the Dealer’s website, under normal use and service when correctly installed, operated and maintained. This product warranty is effective for the period of time stated below, unless otherwise stated in the product instructions or depicted in the product advertisement. **All Authorized Dealer warranties are NON-TRANSFERABLE** and cover only the original end purchaser. This limited warranty does not cover products purchased through non-authorized dealers. Non-authorized dealer receipts are not accepted for warranty verification.

*****Warranty claims must be made directly to the original place of purchase.*****

WARRANTY PERIOD: This warranty remains in force for one year from the date of the product’s accepted delivery. The Authorized Dealer offers a one year manufacturer’s warranty for most products unless otherwise specified on the product advertisement.

WARRANTY SERVICE: The Authorized Dealer will replace any defective or malfunctioning part at no charge, including payment of the shipping costs of parts or replacement product to and from the manufacturer. The purchaser is responsible for labor charges. If the product does not meet specifications as depicted in the advertisement, the Authorized Dealer will refund the full purchase price of the product.

Questions regarding the warranty on a specific product and warranty claims should be directed to the Authorized Dealer with whom the purchase transaction was made.

WARRANTY LIMITATIONS: The above warranty does not apply to products that are repaired, modified or altered by any party other than the Authorized Dealer; are subjected to unusual physical stress or conditions (such as overloaded ramps or corrosion), natural disaster, governmental actions, wars, strikes, labor disputes, riots, theft, vandalism, terrorism or any reason beyond reasonable control; are damaged due to improper installation, misuse, abuse, accident or negligence in use, storage, transportation or handling, or tampering; or to products that are considered consumable items or items requiring repair or replacement due to normal wear and tear.

Product should be inspected prior to signing for delivery. Product damage incurred during shipping, unless noted on the Bill of Lading at the time of delivery, renders this warranty void.

LIMITED LIABILITY: In no event shall THE AUTHORIZED DEALER be liable to the purchaser or any third party for any indirect, incidental, consequential, special, exemplary or punitive damages arising out of the use of the product, including, without limitation, property damage, loss of value of the product or any third party products that are used in or with the product, or loss of use of the product or any third party products that are used in or with the product.
