Standard Saddle Armrest Bag

Straps over your scooter or wheelchair armrest to provide a handy storage area for keys, wallet, cell phone, glasses, etc. Made from high quality, water resistant nylon.

Approx. Dimensions 10"x8"x3"

Attach your armrest bag by wrapping the fabric with the 2" hook strap over the top of your armrest and securing it to the 2" loop strap. Use the 5/8" hook and loop strap (located at the bottom of the bag) to secure it to your seat post or horizontal frame of the chair. This will prevent the bag from swinging outward.

The soft-to-touch material allows your arm to move free over the armrest without discomfort or skin irritation. Fits armrest from 1" round tubing to deluxe scooter armrest.

OTHER ARMREST BAGS AVAILABLE FOR YOUR SCOOTER OR WHEELCHAIR ARMREST:

Armrest Pocket: Small enough bag to fit under manual wheelchairs without interfering with back wheel.

Deluxe Saddle Bag: Same size as the Standard Saddle Bag with added side and inside pockets.

Large Saddle Bag: A bag that will not interfere with mid-wheel drive tires.

Extra-Large Saddle Bag: Large storage area with lots of separate storage pockets.

Front Bag: Basketball sized bag that extends off the front of your armrest (minimal installation required)

We strongly encourage you to call us at (800) 795-2392 if you have any problems, questions, or comments. We are always in development of new products for wheelchair, scooter, crutch, and walker users... So let us know if there's something special you need!
