Outboard Motor Weight Reference Chart

This chart has been created as a reference for determining the weight of your outboard motor. The weight between a 2-stroke and 4-stroke outboard motor can vary significantly. These weights are only estimates that are to be used for determining what size outboard motor carrier you should purchase. Before placing your outboard motor onto the motor carrier, it is highly recommended to refer to the owner's manual you received with your outboard motor for the exact weight. If the manufacturer's listed weight exceeds the rated weight capacity of the motor carrier, do not try to mount - serious injury or damage may result.

Assembly

Note: First, only hand-tighten parts. When assembly is complete, tighten all hardware with tools.

Step 1. Two connecting rods are sleeved into two ends of the axle respectively, and two webbing are sleeved into two connecting rods respectively;

Step 2. Lock the two connecting rods with bolts, washers and nuts. Place the reinforcing tube between the two connecting rods and lock it with bolts, washers and nuts;

Step 3. Lock the two ends of the main tube and the two connecting rods with bolts, washers and nuts. Fix the knob on the main tube, and one end of the knob thread shall pass through the hole on the reinforcing tube;

Step 4. First put the dolly down, then install the spacer, wheel sleeve, wheel, gasket and pin on the wheel axle as shown in the figure, and then put the dolly in place;

Step 5. Lock the two ends of the handle and the two connecting rods with bolts, washers and nuts, and then lower the knob to fix it on the handle tube. One end of the knob thread shall pass through the hole of the connecting rod;

Product Warranty and Liability

GENERAL PRODUCT WARRANTY: Products purchased from the Authorized Dealer (original place of purchase) or Merchant (“Dealer”) will be free of defects in material and workmanship at the time of receipt, and will meet the specifications stated at the place of purchase transaction or online at the Dealer’s website, under normal use and service when correctly installed, operated and maintained. This product warranty is effective for the period of time stated below, unless otherwise stated in the product instructions or depicted in the product advertisement. **All Authorized Dealer warranties are NON-TRANSFERABLE** and cover only the original end purchaser. This limited warranty does not cover products purchased through non-authorized dealers. Non-authorized dealer receipts are not accepted for warranty verification.

*****Warranty claims must be made directly to the original place of purchase.*****

WARRANTY PERIOD: This warranty remains in force for one year from the date of the product’s accepted delivery. The Authorized Dealer offers a one year manufacturer’s warranty for most products unless otherwise specified on the product advertisement.

WARRANTY SERVICE: The Authorized Dealer will replace any defective or malfunctioning part at no charge, including payment of the shipping costs of parts or replacement product to and from the manufacturer. The purchaser is responsible for labor charges. If the product does not meet specifications as depicted in the advertisement, the Authorized Dealer will refund the full purchase price of the product.

Questions regarding the warranty on a specific product and warranty claims should be directed to the Authorized Dealer with whom the purchase transaction was made.

WARRANTY LIMITATIONS: The above warranty does not apply to products that are repaired, modified or altered by any party other than the Authorized Dealer; are subjected to unusual physical stress or conditions (such as overloaded ramps or corrosion), natural disaster, governmental actions, wars, strikes, labor disputes, riots, theft, vandalism, terrorism or any reason beyond reasonable control; are damaged due to improper installation, misuse, abuse, accident or negligence in use, storage, transportation or handling, or tampering; or to products that are considered consumable items or items requiring repair or replacement due to normal wear and tear.

Product should be inspected prior to signing for delivery. Product damage incurred during shipping, unless noted on the Bill of Lading at the time of delivery, renders this warranty void.

LIMITED LIABILITY: In no event shall THE AUTHORIZED DEALER be liable to the purchaser or any third party for any indirect, incidental, consequential, special, exemplary or punitive damages arising out of the use of the product, including, without limitation, property damage, loss of value of the product or any third party products that are used in or with the product, or loss of use of the product or any third party products that are used in or with the product.
